

## GE Healthcare IT Internship

GE works on things that matter. The best people and the best technologies taking on the toughest challenges. Finding solutions in energy, health and home, transportation and finance. Building, powering, moving and curing the world.

With over 11,000 IT professionals located in roughly 50 countries, GE IT represents a major area of focus and investment across the company.

GE Healthcare provides transformational medical technologies and services that are shaping a new age of patient care. Headquartered in the United Kingdom, GE Healthcare is a unit of General Electric Company (NYSE: GE). Worldwide, GE Healthcare employees are committed to serving healthcare professionals and their patients in more than 100 countries.
